Subject: FW: Thought for our agenda tomorrow

This is what I sent down.

Not too different than what you laid out.

Subject: Thought for our agenda tomorrow

- 1) Discussion/summary of comments we received on BART FIP. EPA
- 2) Presentation of options being considered for finalizing BART FIP EPA/TCEQ
- 3) Discussion of options - All
- 4) Discussion of Transition to second planning period - All

For the last item it would be helpful if you guys could share your schedule for developing the 2021 SIP and your current thinking for how that SIP would be developed.
